

If you're new here, **welcome!**

Here's how it works:

(1) Reservations— Call us at 229.585.9119 to reserve your table. Seating is first come, first serve and tends to fill quickly! Our business hours are Monday-Friday 10AM-5PM.

(2) Share the Menu— Our menu changes with each opening, and is included in this email. Please forward it to everyone in your group, as we require guests to pre-order their entire meal. While reviewing the menu, consider enhancing your experience with our caviar service—We are proud to be the only restaurant in Lowndes county to offer this unique indulgence!

(3) Submit Selections— To confirm your reservation, please email us your party's selections (specific quantities of appetizers, main entrees and dessert) by Sunday of your dining week. Be sure to include any allergies or dietary restrictions at this time.
